Michelle Williams 933 St. Philip St. 733-1769

Buenos Dias,

I thought I'd throw in a little bit of Spanish. Doesn't it bring back memories. (mostly bad) Our good times were always in Religion. Right? (our good times was the week when he was gone)

I hope we will be in some classes next year. and try to be good.

Love,
Phyllis

Michelle, That is awesome, I can't remember what page it was on, but I remember reading it. I'm glad you liked it. I thought it was funny. I'm sure you will be in some of my classes next year. I hope so. I have been knowing you this year. You are sweet, but child and crazy at times. I hope to see you in some of my classes next year.
Love,
Sherry

Inspired by your glorious name,
Ennobled by your love
Our yet unchallenged joyous hearts
Raise your banner high on high
And rally to your faintest call
For we know your worth.
O Alma Mater, strong and true,
We pledge our love to you.

Through youth's fair spring,
Unclouded skies,
Made brilliant by your light,
Have sheltered well your boys and girls,
Thus to send us bravely on,
Reflecting ever by our lives,
Goodness born of love.
O Alma Mater, may we be
Forever true to thee.

STUDENT COUNCIL CO-ORDINATES ACTIVITIES

The purpose of the Student Council is to lead the students and various organizations of our school to greater spirit and involvement. Throughout the '78-79 school year our Student Council performed admirably, always willing to give a hand and promote other clubs' activities. They sponsored the annual football homecoming festivities to give a further boost to school spirit, and the day was a great success. With the help of advisors Mrs. Stith and Mr. Selby and the leadership of Phyllis Revel, Victor Salvo, Pat Wray, and Mimi McCrary, the club, made up of the above officers, the officers of the four classes, the Homeroom representatives, and the members-at-large, did a grand job and deserve all our praise and support.

SQUIRES RAISE MONEY FOR SPORTS

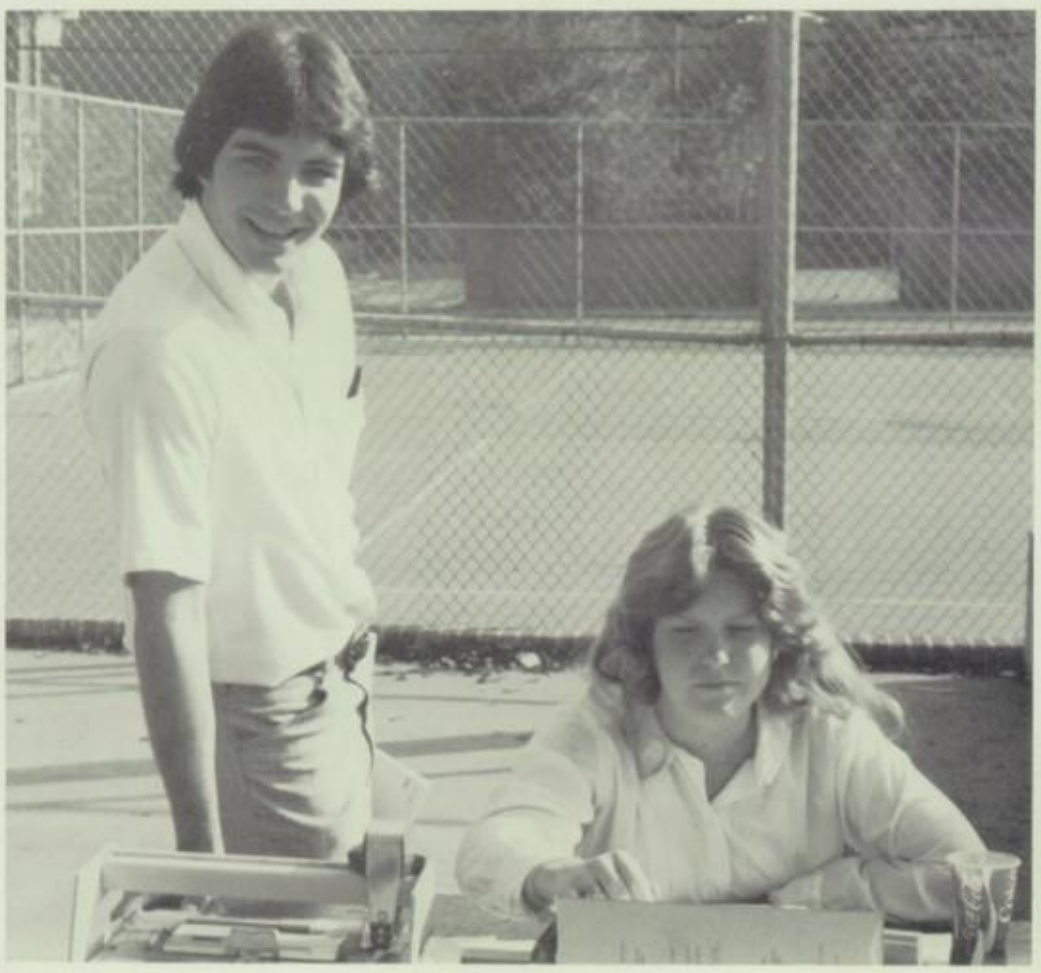
Although the organization is fairly new to Bishop England, the 78-79 Columbian Squires had an active year, beginning with a raffle of the homecoming football. They continued their money-making ventures, the purpose of which was to aid the BE sports department, with a basketball raffle and tootsie roll sales. Other activities included a bowling tournament, various social gatherings, a special Squires' Mass, and participation in the Squires convention. Moderator Mr. Fraklin aided officers Louis Griffith, Stephen Blanchard, and Charlie O'Brian.

Top right: Robert Dodds is shocked by the high jinks at a Squires meeting. Left: Stephen Blanchard and Louis Griffith sell Harry DeVore a ticket. Below: The 1978-79 Columbian Squires.

CIVINETTES ARE ACTIVE

The Junior Civinettes, with advisor Mrs. Shealey, were busy with several endeavors this year. At Christmas time they expressed the gratitude we all feel to our teachers by purchasing small gifts for them. They also held their annual blood drive, once again helping to keep the Red Cross supplied. The officers this year were president, Anna Ramsey; vice-president, Paula Caffey; secretary, Katrina Ferrara; and treasurer Lena Scott.

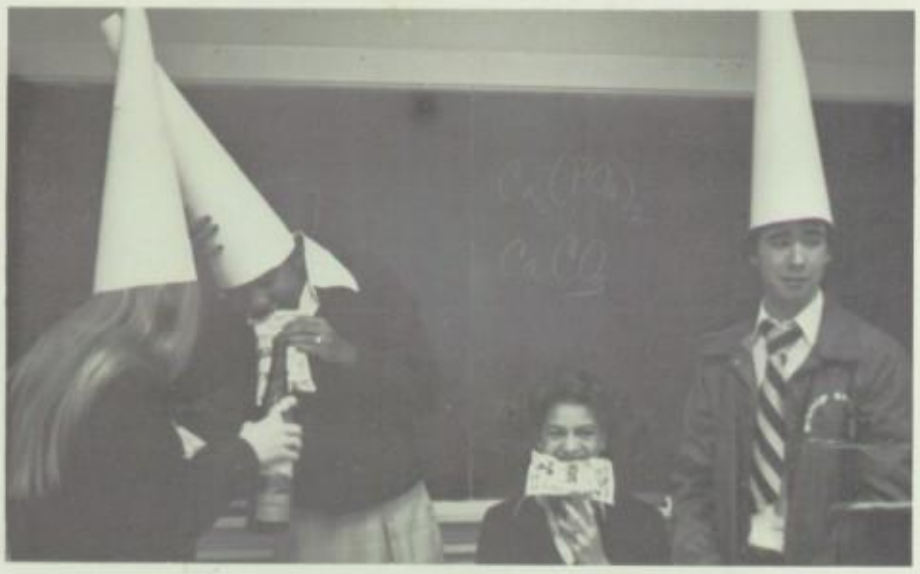
Below: Mrs. Shealey leafs through the records. Bottom Left: Beth Flynn registers Tommy Salter to give blood. Middle Left: Daimon Cassell prepares to give blood.



LE RENDEZVOUS EXPERIENCES FRANCE

The official name of the B. E. French club is Le Rendezvous. This year's club was true to its name, getting French students together for games such as French Scrabble and Milles Bornes, and also for some delicious French foods. These monthly meetings proved to be both entertaining and enriching, and the members, aided by Mrs. Rourk and Mrs. Hugenin, ended the year with better comprehension of French culture.

Bottom Right: Members race to Le Rendezvous. Top Right: Le Rendezvous. Middle Right: A typical French Club meeting. Above: Secretary Katrina Ferrara obviously doesn't believe Kathleen Cantwell's excuse for missing a meeting.



Spanish Club Learns, Has Fun

The Spanish Club is dedicated to examining the culture of Spain and seeking to further understanding of the Spanish language. This year's members enjoyed a pinata party, a much-celebrated food meeting, and several Spanish skits which both amused them and aided their comprehension of the Spanish language. Led by Sister Amelia, the many members received outside aid in improving their knowledge of Spain and in the process enjoyed themselves very much.

Top: Paula Caffey giggles during her performance. Middle: Conehead George Brown looks disgusted as Kathy Clark, Diana Williams, and Paula Caffey consume mass quantities. Below: The Spanish Club.

PRACTICE MAKES PERFECT

This year's band was recognized primarily for their excellent performance at the football games. But they were involved in several other musical activities. They received a "Superior" rating for their efforts at the Coastal Carolina Fair Marching Band Contest and participated in a parade for the children at Ladson. Bishop England is very grateful for our band's many enthusiastic contributions to school spirit.

KEY CLUB SPRITED

This year the Key Club once more showed the spirit for which Bishop England has always been known. Lead by club President David Alexander and Advisor Mr. White, the Key Club was once again able to hold their annual Powder Puff competition and the Key Club – Faculty basketball games. They also participated in Kid's Day at the Air Force Base and the annual spring convention, which was held in Charleston this year.

CSMC COMMUNITY-MINDED

The CSMC's major activity this year was again their Christmas program. They gathered food to prepare boxes for the poor and supplemented these supplies with groceries bought with money collected during the "Pennies for the Poor" campaign. They also made a practice of visiting residents at old age homes as well as the children at Ladson. They helped finance these ventures by raffling an afghan. With the help of Sister Veronica the CSMC was very successful in their goal of community service.

Above: CSMC representative Eileen McManus collects for the penny drive. Below: CSMC members.

DRAMA CLUB EXPANDS ACTIVITIES

The B.E. Players traditionally hold two productions during the year – the Christmas program and the spring play. These two were presented as usual this year. In addition, at the weekly meetings the members participated in regular exercise sessions, role playing, and other activities directed toward improving performance. These helpful programs were planned by advisors Sister Reparata and Mr. Selby, along with officers Kathy Lane, Berry Newton, Pat Wray, and Chrissy Parke.

FBLA MEMBERS PREPARE FOR FUTURE

The Future Business Leaders of America is a club organized to prepare its members for careers in business. With the guidance of Sister Mary Louise and Mrs. Smith, its members become familiar with such things as parliamentary procedure to help the members with their future careers. This year the FBLA members sold keychains to students and friends in an effort to become more involved in some real aspects of the business world. We can be sure that the FBLA will always help Bishop England to contribute many successful business persons to society.

Top left: Donna Strickland speaks at the induction ceremonies. Left: Afterwards, Carol Goss, Sharon Sharp, Tanya Hiott, and Peggy Sirisky line up for refreshments. Below: The FBLA.

CHESS CLUB BENIFITS FROM EXPERIENCE

The Chess Club is designed to give its members a chance to improve their chessplaying skills. This year the members were given many opportunities to do so during their many matches. A pair of Bishop England students, bent over a chessboard for hours on end, became a not uncommon sight around school!

Top: Joey Basha is enjoying this match! Middle: John Wyas and Ed Strickland concentrate. Bottom: The Chess Club.

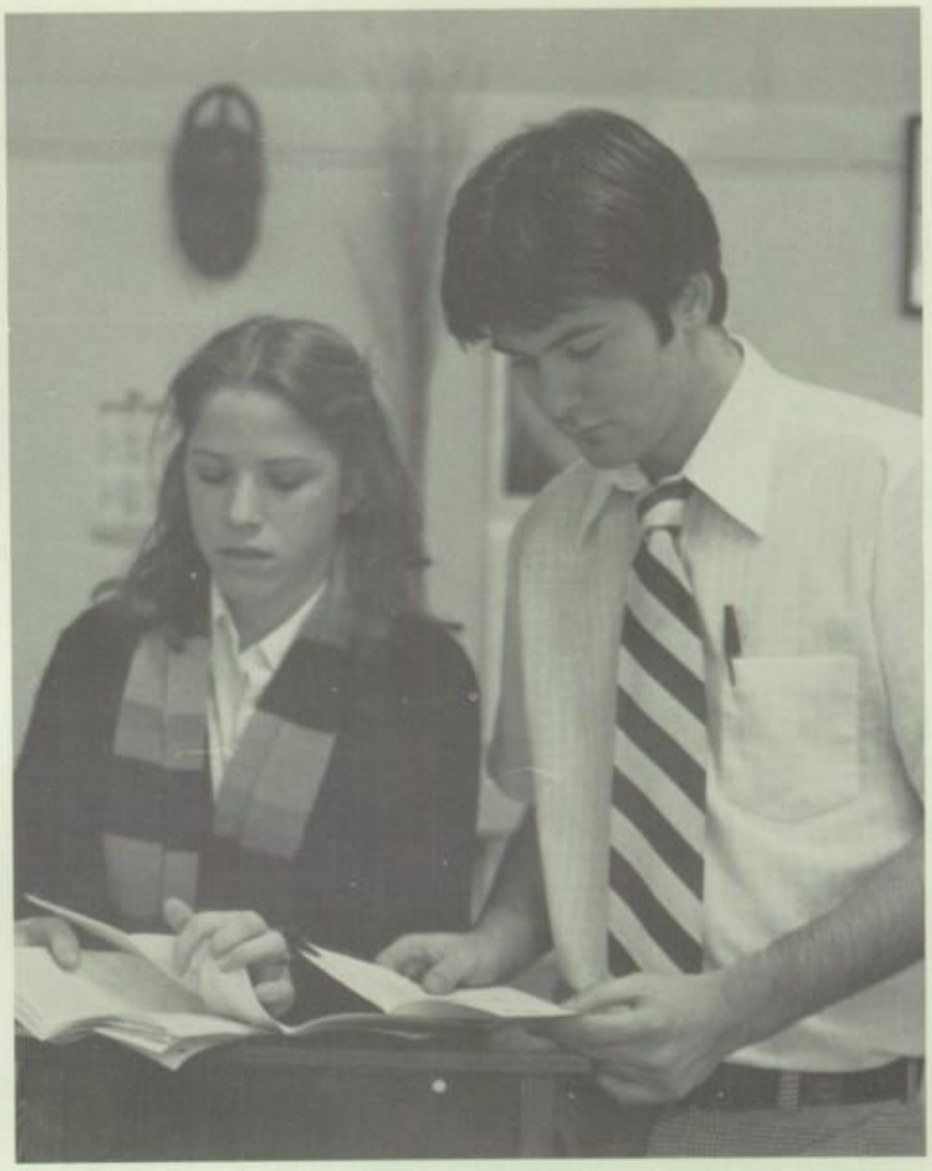
HONOR SOCIETY LEARNS BY TEACHING

Members of the Honor Society are chosen on the basis of academic excellence and school spirit. The 1978-79 members filled these qualifications well and used them to promote efficiency in other students' work by holding free after-school tutoring sessions. By helping others increase their learning skills, the Honor Society members expanded their own knowledge as well.

LITERARY MAGAZINE A GEM

The annual literary magazine of Bishop England is sponsored by the English Department to improve writing skills. It is largely composed of contributions from the students of the composition classes, but all students are encouraged to contribute prose, poetry, and artwork. With advisor Miss Norton and editor Timmy Norton, this year's worthy staff put out an excellent spring edition of the magazine containing many clever written works and corresponding illustrations. The staff can be proud of its 1979 literary magazine, a memorable keepsake of the year.

Right: Business Manager Terry Schneider and Editor Timmy Norton leaf through contributions. Below: Donald Broadfield and Ginger Walsh listen as Philip Roessele reads a contribution. Bottom: The Literary Magazine Staff.



LIBRARY COUNCIL'S WORK APPARENT

Sister Margaret Mary and Miss Burns, as any Bishop England student knows, work very hard keeping the school library in top condition. As usual this year, they were aided by an energetic Library Council which helped them keep the books clean and in order. Though we may not take notice of their diligent work very often, we benefit from it every time we find a book in the right place. Thank you, Library Council!

Yearbook A Challenge

Each year in September, large numbers of students gather in rooms 105 and 208, eager to begin work on another yearbook. Long hours are spent learning, planning, selling. But much happens between the onset of the Miscellany year and the fateful day when the books arrive from the printer. Ads and subscriptions trickle in slowly, desperately needed pictures don't come out, and the large numbers of staff dwindle to a tough handful of determined workers.

But somehow the editor and business manager pull themselves and their staffs through. The final shipment of copy is sent, complete with all needed pictures; the ad and subscription campaigns surprise everyone by going over the top. And the arrival of another edition of the Miscellany is a signal that the yearly challenge has once again been met.

Volleyball Team Is Best In State

Champions! That's what the B.E.H.S. Volleyball Team is made of. The traditionally winning team is coached by Miss Blackman. After ending the season with a 38 to 1 record, undefeated in conference play, the team participated in and won the 7AAA Conference Tournament, the Lower State Tournament, and the State Tournament. Mari Cuomo, Elizabeth Latto, and Dianne LeBlanc were named to the Lower-State All Tournament Team. All the girls are to be congratulated, and we hope that the team will do just as well in the future.

VARSITY FOOTBALL

Despite the temporary loss of head coach Jack Cantey the young B.E. Gridiron team rose to meet the challenges of the year and suprised everyone (including themselves) by ending the season as the 7-AAA Conference Runners-Up.

Although the Bishop's offense faced many adversities, it still managed to put the necessary points on the scoreboard. And the mainstay of the Bishop team was the defense. It allowed opposing teams an average of only 7 points per game and set-up numerous scoring opportunities for the Bishops.

Upon the return of Coach Cantey just in time for the Chicora game, the Bishops posted shut-outs against Chicora, Garrett, and Bonds-Wilson bringing their shut-out total for the season's play to 5. Losing one more game, to James Island, the Bishops traveled to Kershaw for the first round of the state playoffs with a 7-2 record. There the Bishops suffered a 17-0 loss, but retained their number one position with the student body.

Honors

If the honors achieved by the players of a team are any indication of the quality of a school's athletic program, then B.E.'s football program must be one of the best. Coached by Jack Cantey, Tommy Lavelle, Walter LaTorre, George Griffith, and Raymond Nelson, the Bishops placed four players on the 7-AAA All-Conference football team. Steve LeBlanc (center) and Al Evans (running back) were chosen from the offense in addition to Steve Blanchard (cornerback) and Louis Griffith (linebacker) from the defense. The Palmetto Touchdown Club honored as "Defensive Player of the Week" both Charles Duffy (left defensive end) and Louis Griffith for their outstanding performance. Louis Griffith also received the Billy Zeigler honor which is given annually to the "Player of the Year" in the 7-AAA Conference. Since joining the 7-AAA Conference in '76 a B.E. player has won this award every year.

VARSITY CHEERLEADERS

The Varsity Cheerleaders attended the National Varsity Cheerleaders Association Camp this summer at the University of North Carolina. They received superior ratings in nightly competitions and won a first place trophy. Spirit ribbons, t-shirts, and jerseys were sold by the cheerleaders to enable them to buy new uniforms. They also conducted the Homecoming Pep-Rally. Advised by Mrs. Drews, the Varsity Cheerleaders succeeded in cheering on the Varsity teams and increasing school spirit.

J.V. FOOTBALL... .....The Best Team Yet

This year's J.V. Football Team was the first in the history of Bishop England to finish the season undefeated – a perfect record. Led by an explosive offense and an ironclad defense, the Battling Bishops averaged over 25 points per game while giving up an average of only 7 points per game. Overall the Bishops scored a total of 178 points, while holding their opponents to a total of only 48 points in 7 games.

The offense, coached by Larry Bell and Mark Drews, was led by the combination of Paul Theos and Robert Hills who accounted for 8 touchdown passes and numerous extra points. Theos threw 25 completed passes out of 38 attempts, resulting in the completion of 66% of all attemped passes; 20 of those went to Hills. Tim Corbett, the leading rusher, and power backs Barry Wright and Doug Church led the running attack. Up front, the big holes for these runners were opened by Marion Hencheiss and Joey Vonnegut.

The Bishops' defense, coached by Paul Runey and Mark Smith, was led by linebackers Ray Lariviere, Philip Burn, and Mark Westendorff. The defense the speciality teams accounted for 7 touchdowns, of which 5 were scored by Lariviere. Michael Canty and Regan Blanchard anchored the front line for the Bishops. Danny Kassis and Joey O'Donnell shut down the passing lanes of the opposing teams. With everyone working hard, the Bishops recorded 4 shut-outs.

With talented boys like these returning to the B.E. football program the future looks good for the Bishops. A little hard work and determination should make these boys winners in the coming years.

J.V. CHEERLEADERS REALLY SHOW THE SPIRIT

The Junior Varsity Cheerleaders got a new advisor this year, Miss Walsh. Besides cheering at J.V. football and basketball games, the girls also cheered at Varsity football games and participated in the Homecoming Parade. The girls held two bake sales and a car wash at which they raised enough money to purchase shakers in time for basketball season. They were also able to buy two extra winter uniforms for the alternates. The J.V. Cheerleaders did a great job in cheering the J.V. teams on to victory.

Grappletts

The Bishop England Wrestling Team had help this year from the Grappletts. The Grappletts or Mat Maids have duties such as making the drinks for the team, setting the gym up for the match, keeping score, taking notes, and raising money.
This was the first year for the Grappletts and they proved that they were a useful club. They also had fun. The Grappletts this year were made up of these girls: Peggy Sirisky, Mimi Flaherty, Tina Keating, Angela Shelton, Elizabeth Stevenson, Sylvia Lee, Terry O'Brien, Patty O'Brien, Tanya Hiott, Donna Strickland, Sheila Kinard.

Boy's Varsity One Of A Kind

This year's varsity boy's team was one of the most spirited B. E. has seen in a long time. Their team work on the court made their 11-9 record possible. Led by the shooting skills of Gari Church, Steve McDonald, Monty Kithcart, and Jack Westervelt the Bishops slaughtered many worthy opponents. Now that the season is over there are many J.V. members who can't wait to become members of the varsity basketball team of Bishop England.

Spirit Leads To Winning Ways

The Battling Bishop's J. V. squad brought themselves to a winning season with their 10-6 season. This year's team truly showed great enthusiasm when on the court, and fought many a successful battle against some very worthy opponents. J.V. Girls Now Two Years Old

The J. V. Girls had a winning season of 7 wins and 5 losses. Although this was only their second year for a Bishop England J. V. girls team, they performed with the poise and talent of professionals. Many of the girls with the J. V. squad will be moving up to the varsity squad next year. So next year's varsity squad should prove to be one of the best ever.

Top Row: Molly Moore, Ellen Way, Allison Molony, Lisa Shogory, Diane Huchinson, Anna Marie Bollinger, Mary O'Neil. Bottom Row: Cindy Baggott, Beth O'Donnell, Georgia Homer, Angela Shelton, Marcy Clair, Sandy Campbell, Janice Nale.

FRESHMEN MAKE TWO NEW STARTS

Freshman this year started a new year in a new building. Making adjustments was tough but the B.E. freshman did it with grandeur, showing what we could expect for the next four years. With elections they began their year and proceeded to create a Number 1 class of Potential leaders of 82. Congratulations Freshman! You're well on your way through the most memorable years of your life.

Sophomores

The greatest thing about being a sophomore is knowing that the freshman year is over and there are two years left before becoming a senior. Upperclassmen no longer ask if you're new around school or call you Frosh. Instead they make allusions about Sophs living in the gym, and express hopes of keeping them there. Still, sophomores feel more than ever a part of the BE spirit and they continue to enthusiastically turn out for school functions. Perhaps all those T-shirts and sweatsocks have something to do with it.

THE CLASS OF '80

Junior year was one of hard work for the class of '80. One of the most successful Sadie Hawkins dances in years was held by the Juniors in the fall. Through the sale of candy bars, the class was able to hold the annual Junior-Senior Dance in the spring. The Juniors, receiving their rings at the Ring Mass in February, gained a deeper appreciation of and pride in Bishop England.

Along with the activities of the year went a lot of academic work. Juniors learned everything from the proper way to write a research paper to the causes and effects of the Crusades. The knowledge of class ranks served as an incentive to the Juniors to work even harder. Surviving the PSAT and the SAT, the Juniors ended the year looking forward to the challenges and privileges of being a B.E. Senior.

The Junior Class Officers: Clockwise; Kathy Papadimitrious, treasurer; Russell Whitney, president; Yvette Murray, vice-president; and Laura Privitera, secretary.

Seniors '79 A Growing Spirit

As the Seniors proceed through their final year their spirit grows – along with their capabilities to face the world into which they are headed with a flourish. They are taking on new challenges and meeting them with well-developed values built in their years at Bishop England. With anticipation of the good to come, the seniors say good-bye to the old alma-mater and store away the good memories to pull out in times when a boost is needed for their growing Spirit.

DON'T STOP

If you wake up and don't want to smile,
If it takes just a little while,
Open your eyes and look at the day,
You'll see things in a different way.

Don't stop, thinking about tomorrow,
Don't stop, it'll soon be here,
It'll be better than before,
Yesterday's gone, yesterday's gone.

Why not think about times to come,
And not about the things that you've done.
If your life was bad to you,
Just think what tomorrow will do.

Don't stop thinking about tomorrow,
Don't stop, it'll soon be here,
It'll be, better than before,
Yesterday's gone, yesterday's gone.

All I want is to see you smile,
If it takes just a little while,
I know you don't believe that it's true,
I never meant any harm to you.

Don't stop thinking about tomorrow,
Don't stop, it'll soon be here,
It'll be better than before,
Yesterday's gone, yesterday's gone.

Don't you look back,
Don't you look back.

Homecoming '78: The Spirit of Past and Present

Traditionally Homecoming is a time for showing support and spirit for the school. Each class competes in the annual pep rally to win the Spirit contest.

Suddenly, however, the pep rally is over and it's time to prepare for the pep parade and the football game. As loyally as the students supported their class earlier, they now support B.E. as one student body.

During half-time the sponsors of this year's Senior football players were accompanied by escorts on to the field where one of them was crowned as queen. Afterwards there was a Homecoming Dance with music by a local Disc-jockey. And so, at 1:00 a.m., Homecoming '78 was over . . . a memory for this year's seniors . . . a prospect for next year's freshmen.

SR. Players &Sponsors

Each year the Senior football players of Bishop England are honored at Homecoming. A girl sponsored each player. This year's sponsors were presented to the Student body at the annual pep rally and announced to family, friends and alumnae at the Homecoming game, but only one would emerge as Homecoming Queen '78. The football players elect the Homecoming Queen by secret ballot from the sponsors. This year's queen, Mary Beth Molony, was crowned by Victor Salvo, Student Council co-president.

LADIES RULE AT SADIE HAWKINS

Straw hats, denim, and down right uncouth behavior can be seen at B.E. when it is seized by the mood of Sadie Hawkins. It is the ladies' chance to catch the menfolk of their choice and ask them to the Sadie Hawkins dance, sponsored by the junior class.

At the dance everyone had knee-slappin' good time dancing to the music of the Navy Band. For interested couples there were marriage licenses to be brought from Marrying Sam – Delia Smith. The "U-hooked 'em, U-got 'em" ceremonies were only good for the week-end, of course. Sadie Hawkins proved once again that we all have a little of the country bumpkin' in us.

This page – Top: They sure look happy over their weekend marriage. Center: Karen Joseph, Charlie O'Brien, Peggy Sirisky and Joe Keating show off "hick" style. CHRISTMAS MASS

The annual B.E. Christmas mass proved to be as successful as all of the others. The CSMC presented the needy with bags of food so they might have a more joyous Christmas. In keeping with tradition the Bishop said the mass and granted all those on "death-row" at B.E. amnesty. The students of Bishop England should be proud of the way they contributed to make someone else's Christmas happier.

Class of 1980 Receive Their Rings

As spring approaches, the senior class prepares to leave and the junior class looks ahead to their senior year. Part of this preparation is the receiving of the class rings. The Class of 1980 received their rings at the traditional Ring Mass held at the Cathedral of St. John the Baptist. The mass started at noon on February 10th. When it was over, the Class of 1980 was one step closer in their rise to seniors and their graduation.

Ring Hop '79: A Celebration

Receiving rings is a time to celebrate. The junior class held a Ring Hop in honor of this event on the night of the Ring Mass. The dance took place at the Citadel Alumni House. Juniors and their dates danced to the music of Southside Battery. It was a good time to show off new rings to friends and turn the rings of fellow classmates.

B.E. Students Receive Honors

Annually Bishop England students receive special recognition and honors from both national and state organizations. B.E. proudly congratulates these students in their representation of their school. This year recipients are: (this page) Top: Governor's School – Phyllis Revel, Laura Villeponteaux, Anna Ramesy, Mike Van Metre. Center: ACT Finalists – Cleavland Haynes, Anna Ramesy. A winning game plan.

Westvaco has one.

And it's a winning game plan for everyone. It's our 5-year, $500 million program for corporate growth. Growth aimed at meeting the growing needs of our customers. . .which is, after all, the name of the game in any business.

What makes us confident that our program is a winner is its scope and the strategy behind it.

For example, we plan to increase the capacity of our existing papermaking facilities by 20%—or 1000 more tons a day by 1980. This is the equivalent of a major new mill—*but without new mill costs.*

At the same time, we are indeed building new plants. Four, to be exact. Three converting plants and a chemical plant to keep pace with these fast-growing businesses.

We're also adding to our timberland resources, and continuing to improve our programs aimed at saving and protecting two other valuable resources—energy and the environment. And this makes our program for growth a winning game plan for everyone. As your neighbor, we thought you'd like to know.

CLOSING

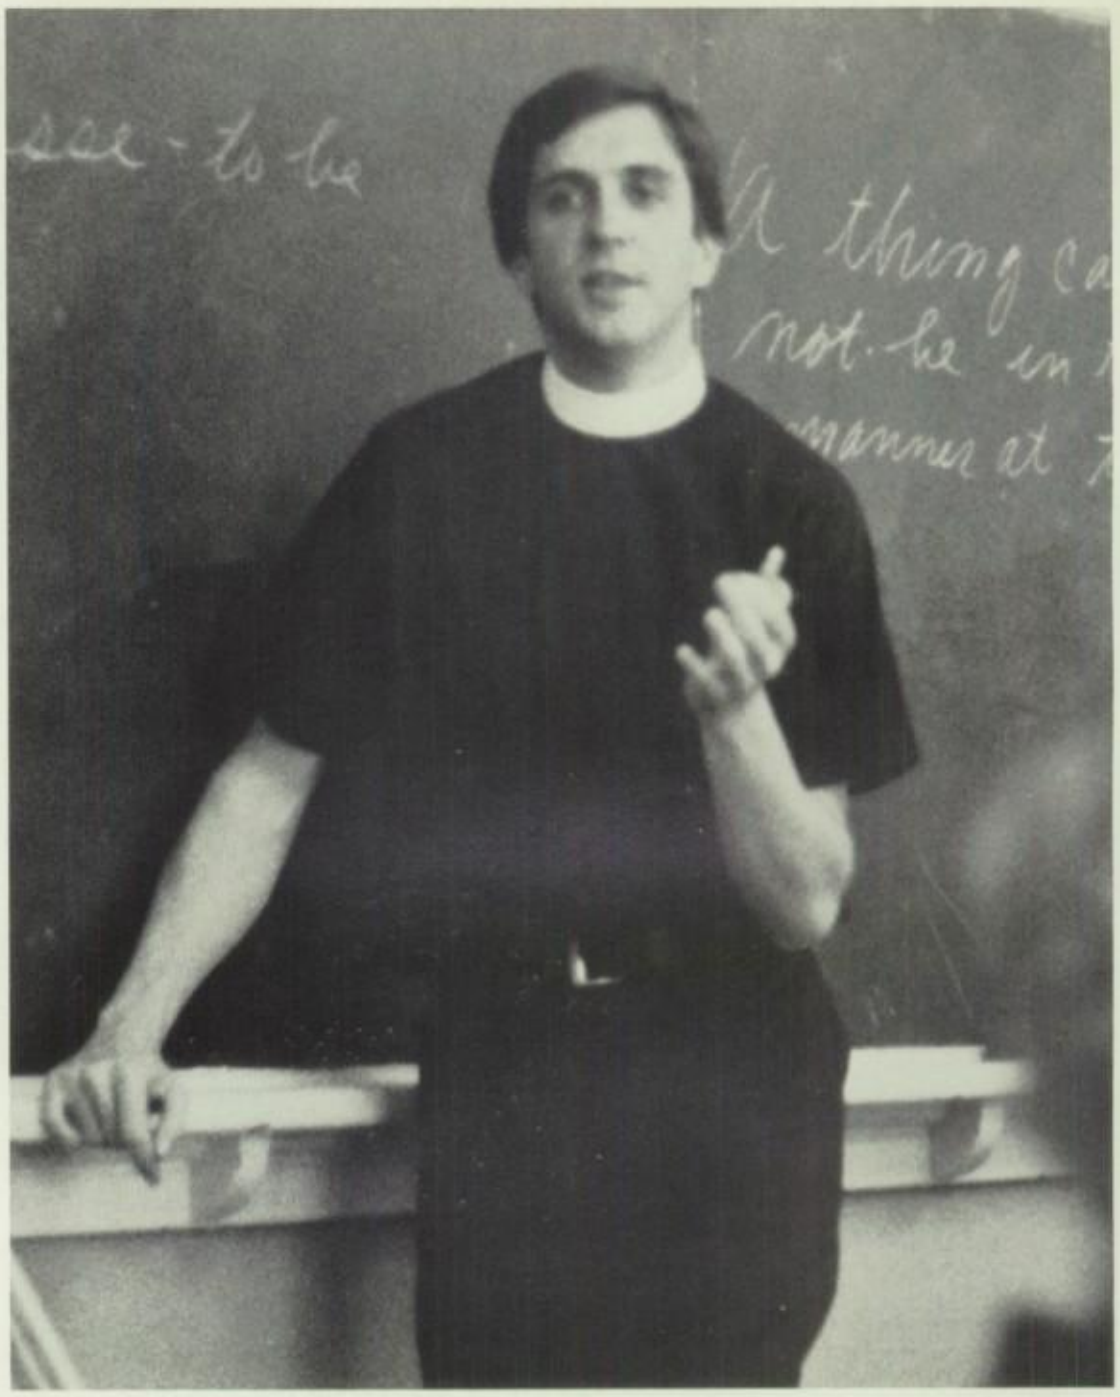
The past year has been by no means an uneventful one. Here are a few events which made this year different from the rest!

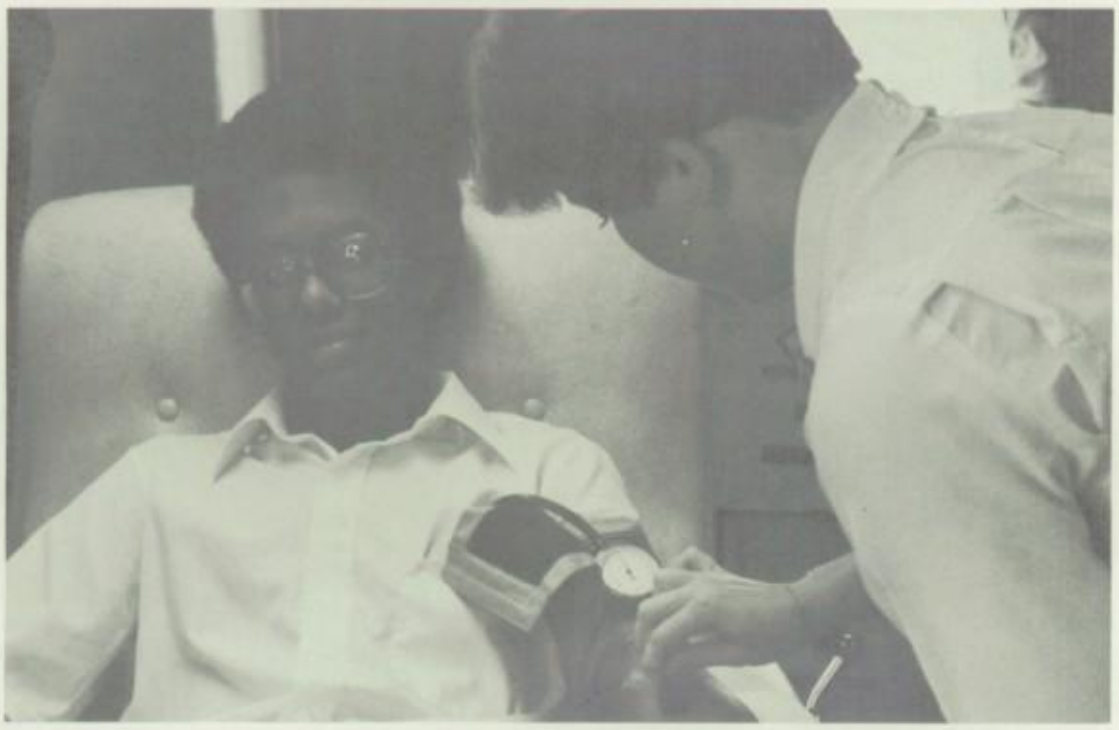
–The Shah of Iran resigned,

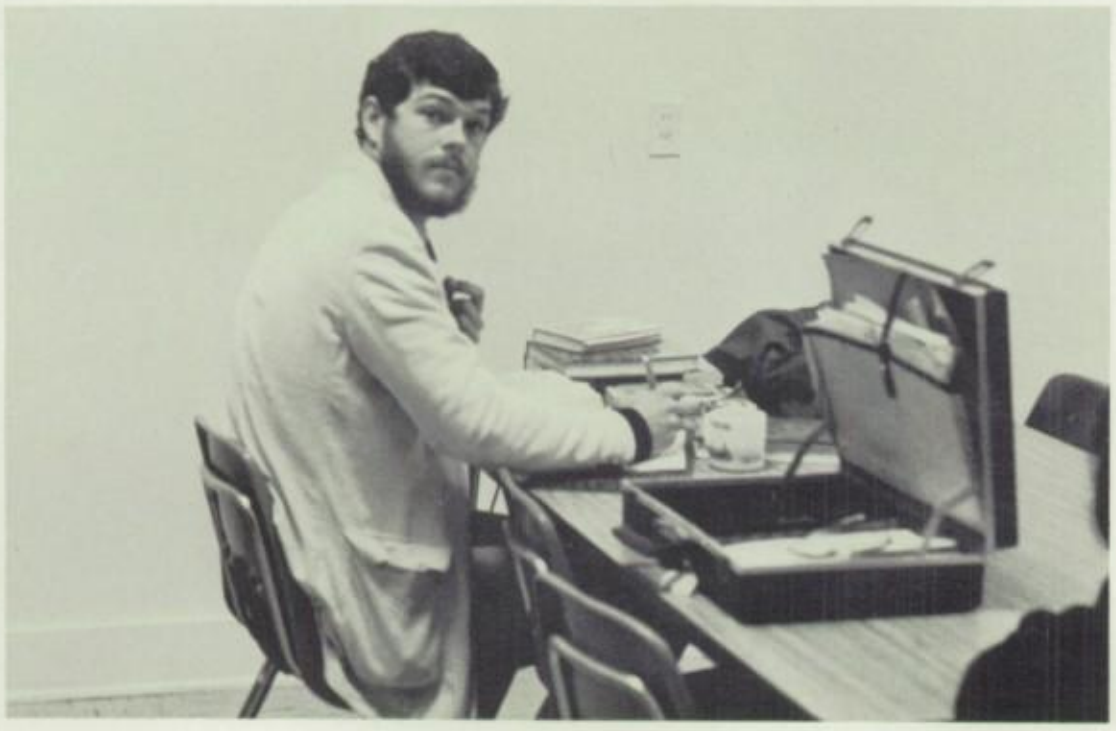
–Carter took part in peace talks between Israel and Egypt,

–Gordon Liddy was released from jail,

–A four-million-year-old Ape-Man was found in Africa; they named her Lucy,







–the United States now recognizes Red China,

–Firestone recalled their 500 series tires,

–Superman, the Movie was made,

–Two Popes died within the last year; our newest Pope is the Non-Italian Pope John Paul II,

–The convention center was a big issue in Charleston,

–A mid-air crash between a private plane and a commercial jet ended in disaster,

–The minimum wage was raised from $2.65 to $2.90.

THANK YOU

Their is only one "situation" that I can think of which literally (well, almost literally) makes time pass faster than I could ever imagine! This "situation" is the dreaded deadline. I would like to thank the '79 Miscellany staff for their endless efforts which slowed this time to a speed that was much more bearable. So here it is. THANK YOU –

–Cara Hancock, Assistant Editor, for her tremendous amount of help which included everything from typing to taking pictures and drawing layouts to cropping pictures.

–Terry Schneider, Bess Villeponteaux, Kathy Lane, and Chelle Cain for taking care of the various sections.

–Ann Applegate, Merry Applegate, Kathy Clark, Chris Barnes, Oliver Goust, Donald Broadfield, Joey Basha, Steve Pstrak, Philip Roessle, Laura Villeponteaux and anyone else I might have forgotten for doing whatever you were told to do.

–David Sikes, Francis Roy, Brad Edler, and Matt Floss for taking the great pictures contained in these pages.

–Mrs. Villeponteaux for putting up with me and giving me a push when I needed it.

–Sister Mary Louise, Chrissy Parke, Mark Fava, and all the other members of the business staff.

–My Father, Mr. Barnes, for his courier service to Norris Photography.

–Mr. Norman, our Keys Representative.

–Norris Photography for their handling of our film.

–And finally to all those who had to put up with me and my occasional unorthodox ways.

Kevin Barnes

Michelle,

To a long time friend.
Even though I don't know
you as well as I wish, the
little that I do know is
one of the sweetest persons
I Know who's always around.
We had fun in P.E. class this
year, and I hope we're in a class
next year. Good luck In the future!

Your Friend,
Sandy

To one of the guys.
Love you Dawn
